ADMISSIONS OVERVIEW

Welcome

Welcome to the Redeeming Life Maternity Home. We are a Christian maternity home for single expectant women. We pray your residency will prepare you for your future and equip you with tools that will help you master everyday life situations. We are here to assist and help you achieve that goal.

This Policy Handbook has been prepared for you to provide a detailed description of our residential program. Please familiarize yourself with our expectations and regulations. Our hope is that this house will be considered your home and a place of comfort, peace and growth as you prepare for your baby's arrival. As with any home, rules and expectations are present to ensure peaceful coexistence for all residents.

All the guiding principles of Redeeming Life are based on the fruit of the Holy Spirit:

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law. Galatians 5:22-23

Our Mission

Motivated by God's grace, Redeeming Life Outreach Ministries seeks to reach out with the love of Christ to support single expectant mothers. We do this by providing a safe, stable, Christ-centered home with opportunities for growth in their relationship with their Savior, as well as career, parenting, and life skills education, that they might love and care for their children as God loves and cares for them.

"Little children, let us not love in word or talk, but in deed and in truth."

1 John 3:18

Our Program

Redeeming Life's maternity home program is a comprehensive, live-in, full-time life-skills training program for single, pregnant women in crisis. **We believe that faith, family, and education are key to living a happy, healthy, hope-filled life.** With that in mind, our residents live together as a family, and they eat, pray, and study God's Word together. They learn to support and forgive one another and to accept forgiveness. **Redeeming Life is NOT an emergency shelter, pregnancy center, medical center, day program, walk-in clinic, or crisis counseling center.**

Admissions Policy

At Redeeming Life, we recognize each of our applicant's situations will be unique. Therefore, each case will be evaluated on an individual basis. If we are unable to offer you residency at Redeeming Life, our staff will make every effort to work with other community agencies to assist you in finding a program that best meets your needs.

After your personal interview with our admissions staff, our team will meet to review your application and decide if residency at Redeeming Life is the best option for you. **It is important for you to know that residency at Redeeming Life is completely voluntary.** Our decision to admit you into the home is in no way binding upon you; you are free to accept or reject the offer.

Our admissions policy also requires that prospective residents must pass a comprehensive drug test, psychological screening, and full background check. Reading, understanding and accepting the policies outlined in this manual are part of your admissions process. After reviewing the guidelines with your admissions counselor, and after you agree to our policies, procedures and rules, you will be asked to sign a letter of acceptance, which will become part of your file. Redeeming Life reserves the right to revoke your residency at any time.

Admissions Process

2. **Application:** Applicant completes an application (online form or MS Word doc)
