

Resident Update

Our first 3-year program graduate moved to an apartment nearby with her toddler son this summer! We are so proud of this young mom who arrived with a grade school education and left with her GED, a college certificate, stable job, and a healthy savings account balance! May God continue to bless and keep them both in His care. We look forward to catching up with her each Sunday at church!

The Florida maternity home is home to two babies, two moms and two expectant moms currently. This full house is running smoothly under the care of our new house mom Ira. The established routines and teamwork it takes will be even more helpful when our two pregnant residents have their babies this winter!

Gracious Heavenly Father,

We thank you for the gift of LIFE and we ask for your blessing on the work we do with moms and babies. We thank you for our strong supporters who share their time, talents and treasure to support these tiny lives and to help these mothers with all they need to lead their families well. Please lead and guide our efforts that Your redeeming love and grace be shared with everyone we encounter. We love You! We thank You! We praise You! Help us to serve You and Your children. In Jesus' name we pray, **Amen!**
