Impacting Lives

You are impacting lives with your support of Redeeming Life!

Two precious baby girls call our Florida maternity house 'home'. Both are thriving! They are meeting their developmental milestones and their mothers are managing newborn schedules of feeding and sleeping while continuing with their educations and careers!

With your support our moms have been able to buy cars and land their dream jobs. We even have a mom looking to buy her first home!

Gracious God, We praise you for the gift of LIFE! Show us daily the many ways to support life. Make us bold and strong to help others and to share the redeeming love of Christ. Bless and multiply our efforts for life. In Jesus name we pray. Amen!

Redeeming Life Outreach Ministries is a Christ-centered maternity home offering love, hope, and a future to single pregnant women in crisis. Based in Central FL, and expanding to Northern IL, we are a Recognized Service Organization (RSO) of the Lutheran Church-Missouri Synod and also a 501(c)(3) non-profit organization.

IL Expansion Update

Demolition on the new East Dundee maternity home is nearly complete!

We are so thankful for everyone's prayers and support as this project continues this spring.

This home is being transformed from a 3 bedroom mid century ranch home into a maternity home with four resident rooms, a live-in residential manager suite, and an open floorplan for community living.

If you or your group want to learn more about sponsoring a room, please email info@rlom.org

We can't wait to share the after with everyone!

Advocate Update

To build support for Redeeming Life, we started an advocate group with the expansion project in Illinois. This is a group of dedicated advocates who stepped up to share the story of our ministry in their home congregations, schools and neighborhoods. This amazing group does everything from presentations to fundraisers to grant writing and we are so thankful for their efforts. This group has been so successful we are starting the same program in Florida and Georgia. Learn more at rlom.org/get-involved.
